Ansøgning om støtte til Danmarks Bløderforenings årsmøde d. 27-28. april 2019

Med denne ansøgning søger Danmarks Bløderforening om støtte til afholdelse af foreningens årsmøde d. 27-28. april 2019 på Kobæk Strand i Skælskør.

Årsmødet er for alle medlemmer og sætter fokus på emner og problemstillinger, som går på tværs af medlemsgrupper og generationer. I år sættes fokus på den rivende udvikling i behandling af blødersygdomme, som sker i disse år. Bestyrelsesmedlem og medlem af EHC SC Naja Skouw-Rasmussen præsenterer resultater fra en større europæisk undersøgelse om blødersygdom blandt kvinder – en patientgruppe, der i årevis ikke har fået den nødvendige opmærksomhed. Som altid vil mødet også give rig mulighed for erfaringsudveksling og netværk bløderne imellem, som har så stor betydning, når man lever med en sjælden sygdom.

I 2019 forventes 100 voksne og 20 børn at deltage. Invitation og program er vedlagt.
