Ansøgning om støtte til Danmarks Bløderforenings deltagelse i European Haemophilia Consortium First European Conference on Women and Bleeding Disorders d. 24-26 maj.

Med denne ansøgning søger Danmarks Bløderforening om støtte til fire personers deltagelse i European Haemophilia Consortium First European Conference on Women and Bleeding Disorders d. 24-26 maj 2019 i Frankfurt. Udgifterne er i alt 17.829 kr. Enhver støtte modtages med tak.

For Danmarks Bløderforening er det vigtigt at være en del af det internationale bløder-samfund og danne netværk og dele viden på tværs af grænser og kontinenter. Derfor prioriterer foreningen hvert år at deltage i internationale, europæiske og regionale møder og seminarer.

Denne konference er den første europæiske konference som udelukkende fokuserer på blødersygdom blandt kvinder. På konferencen præsenteres resultater fra en europæiske undersøgelse blandt kvinder med blødersygdom fra 2017. Derudover vil der være oplæg om forskellige blødersygdomme hos kvinder, hvordan de nedarves, diagnosticering, behandling og overvejelser omkring at videregive sygdommen i forbindelse med graviditeter. Der vil også være oplæg om sammenhæng mellem blødersygdom blandt kvinder og livskvalitet. Læs mere om konferencen i det foreløbige program (vedlagt).

Bløderforeningen vil ved at deltage få adgang til den nyeste viden om kvinder med blødersygdom og bruge det i udformningen af foreningens nationale kvindeindsats fremadrettet. Bløderforening deltager med fire deltagere.

Der skrives referat fra konferencen, som formidles i artikelform på foreningens hjemmeside og i medlemsbladet Blødernyt, så alle foreningens medlemmer får del i den viden, der er opnået på konferencen

Se budget for konferencen herunder. Udgifterne dækker transport tur/retur fra København-Frankfurt, tilmelding til konferencen, overnatning og forplejning under opholdet. **Budget –**
